Warm Hugs Pediatric ABA

Helping Little Minds Grow, One Milestone at a Time.

Opening Spring 2027 • Kenner, Louisiana

Compassionate, evidence-based ABA therapy for children with autism — in our Kenner clinic and at your child's school.

Services we offer

- Individualized ABA therapy
- Social skills & play
- Positive behavior support
- School readiness & academic support
- Communication & language
- Daily living & independence
- Parent training & family collaboration
- Progress monitoring by a BCBA

Why families choose Warm Hugs

Every program is individualized — built for one child: yours.

The same small team every week, with parents as real partners.

Regular progress updates with real data, and a sensory room to grow in.
